Looking for a luxurious new bed? Don't lose any sleep over it...visit Righteous & Co, Mansfield Woodhouse, for choice, quality and beds so spectacular it's a shame to shut your eyes!

From water beds and adjustable air beds, to revolutionary, remote control TV beds and chic, designer octagonal beds loved by the stars, you'll be amazed at what's in store at the massive new Righteous & Co showroom, which opened on Saturday 1st September.

Triple the size of the previous premises, the grand expansion makes Righteous & Co, situated on Millway, Old Mill Lane Business Park, the largest waterbed showroom in the UK and the biggest bed store in the East Midlands.

Managing Director John Hibbert said: "We have a huge selection of beds and mattresses to suit all tastes and budgets, from simple, comfortable choices to custom made, top-of-the-range luxury designs.

"Our showroom expansion means we now have more leading lines than ever before, not to mention the largest children's bed section in Nottinghamshire, ensuring we really do have something for everyone." The children's section is truly spectacular with unique designs, some of which have hidden desks, princess towers, tents and slides - making bed time a fun time.

Boasting singles, doubles, king and queen sizes, with a wide choice of fabulous frames, Righteous & Co stock huge names such as Tempur, Komfi, Velda and many more, including royally-approved Hypnos beds.
